

# The Renaissance Series

## Heirloom Family Tree Sticker Charts

### Photo Kit

Your Renaissance Photo Kit contains either 1 or 2 sheets of twelve photographic quality stickers which have permanent adhesive.

**The stickers are for use ONLY with Inkjet printers.**

The 72 x 63.5 mm stickers are printed in LANDSCAPE and are size compatible with Avery L7164 labels

The total number of sticker kits needed to fill in every one of the larger boxes on your Renaissance chart is: -

- A3 size (7 boxes) - 1 sheet
- A2 size (15 boxes) - 2 sheets
- A1 Size (31 boxes) - 3 sheets

- A blank template in which you can enter your information along with background colours and text as you require
- An example of how you can use the 72 x 63.5 mm photographic stickers. This template has a coloured background that matches the box colour of the Renaissance Charts. The text accompanying each photograph is contained in its own text box. The frames and enhancements for the photographs were created in Microsoft Word 2007. Just replace the photographs and text with your own. Earlier versions of Word have less facilities for enhancing photographs. If you want to add more effects to your photographs than are available in your word processor you can use one of the graphics editing programs and then insert the finished photograph in the word processor document.
- The background colour of the box on your chart in RGB is **252, 242, 186** (HEX = #FCF2BA) and in CMYK is **1% , 5%, 27% 0%** There may be a colour variation when printed out on your own printer but this is generally of little consequence. You can of course use whatever colour background you want.
- To create your own sticker document from scratch in your word processor label utility use the Avery L7164 label format in LANDSCAPE format. To manually create the document use the following settings: -

<b>Label Width:</b>	72 mm	<b>Labels Across:</b>	4
<b>Label Height:</b>	63.5 mm	<b>Labels Down:</b>	3
<b>Top Margin:</b>	7.7 mm	<b>Gap Across Labels:</b>	0
<b>Bottom Margin:</b>	7.7 mm	<b>Gap Around Labels:</b>	2 mm
<b>Left Margin:</b>	4.5 mm	<b>Right Margin:</b>	4.5 mm
<b>Page Layout:</b>	Landscape	<b>Page Size:</b>	A4

Please note that we do not provide support for your word processor software. We recommend that you should have a reasonable working knowledge in using your word processor or have access to advice and support to get the best out of using these stickers.
